Description

Situated in the hillside above Kassiopi, surrounded by the beautiful Corfiot countryside, olive groves and flowering meadows, this wonderful property offers total privacy and tranquility yet is no more than a 7-minute drive from local beaches, restaurants, and amenities of the pretty harbour resort. With its elevated position, the far-reaching views on offer are simply breathtaking – a stunning 180° panorama of the coast, across the sea to Albania and its majestic mountains.

With the potential to build further residential living space or even for touristic commercial use, the estate comprises a plot of 47,000 sqm surrounded by wonderful olive trees and restored Venetian walls that run through the grounds. This whole area is a wonderful natural environment with an abundance of natural flora and habitats for indigenous fauna.

Set within the grounds is a stunningly beautiful 5-bedroom villa with fully landscaped gardens, expansive terraces, 24 sqm of covered verandas, and let’s not forget the wonderful 10m x 4.5m infinity pool that has been positioned to make the most of the superb views. Perfect for just relaxing or entertaining family and friends.

The villa itself has just over 452 sqm of living space spread over two levels that offer spacious, comfortable, and stylish living. The main entrance leads into a large entrance hall that features some beautiful stone wall finishes. From here there is access to a study area and convenient guest WC. To the left of the entrance is access to a comfortable living room with fireplace – with high exposed light wood beamed ceilings and patio doors, this is a light and bright space that has access out to the terraces and gardens. To the right of the entrance is a spacious fully fitted kitchen with centre island and good-sized dining area. From here, there is access to an external dining terrace. Utility and laundry areas complete this level.

The upper-level features 5 spacious double bedrooms and 4 bathrooms (three ensuite). Four of the bedrooms have access to balconies that enjoy the views of the gardens to the sea and mainland Albania.

Other property features included ample parking, two reserve water tanks (90 m3 and 60 m3).
