Set on a verdant 2,650 m² plot, the property has easy access from a municipal road and is located very close to local shops, traditional tavernas, and just 3 km from the nearest beach. Exterior steps lead to the lower level, where there is a self-contained apartment with a kitchen and dining area, a bathroom, and a bedroom, which also opens onto a covered veranda with seating. Right next to it lies an additional room currently used as a storage space. There is also a separate 19 m² storage building in the garden.
