Description

Situated in the area of Pyrgi on the outskirts of the resort of Ipsos, this property is less than 2-miuntes away from Ipsos beach and all the resort amenities, and just a 5-minute drive from Barbati beach. It has an elevated position that ensures the views – a wonderful panorama of the sea and coastline towards Corfu Town and beyond. Corfu Town and the airport are approx. 14km.
Easily accessed, the property is set within private gardens of 872 sqm where there is space to construct a pool, if desired.

The property itself offers 120 sqm of living space over two levels – the lower level is currently an open space that needs completion, and upstairs, the area is split into two large studios. Both studios have their own kitchenette, sitting area, bedroom, and bathroom. French doors from both open onto covered balconies that enjoy the stunning views.

There is a lot of potential here to finish the property to your own taste. The current configuration of the studios could be kept, or it could be reconfigured to create one two storey family home.
