Old Stone House in Central Corfu

Reference: #CAGAR1

This stone-built, 4-bedroom Manor House for renovation and modernisation is situated in the traditional village of Ano Garouna, central west Corfu. Dating back to the 1900s, with many of its original features still in place, it is considered to be one of the most beautiful buildings in the village. A lovely example of Corfiot architecture that could become a stunning family home that is within easy reach of the beautiful sandy west coast beaches.

Information

Price: 130.000 €

Location: Central

Category: Villas / Houses

Description

Situated in the traditional and historic village of Ano Garouna, this property gives you the opportunity to live a quiet village lifestyle yet be close to amenities and the sea. The village is just 4km from the west coast resort of Agios Gordios with its shops, tavernas, bars and famous sandy beach and it is 16kms from Corfu Town and the airport.
The property is accessed via a footpath, 20 metres from the main village road and parking area. A stone-built manor house, it dates back to the 1900s and is considered to be one of the most beautiful buildings in the village. Many of the original interior features are still in place, such as the stone staircase on the ground floor.

With 160 sqm of living space over three levels, this property could be renovated and modernised to create a beautiful family home. The main entrance leads into the ground floor where there is a large kitchen and one room.

A beautiful stone staircase leads to the first-floor landing area and off from here there are two bedrooms and a bathroom. This level has access to a balcony. A further wooden staircase then leads up to the second floor with two more bedrooms, a bathroom, and a balcony that enjoys views over the village roof tops to the surrounding countryside and the sea.
