## Information

**Price**: 210.000 €

**Location**: South

**Category**: Villas / Houses

## Description

Situated in a small hamlet above the coastal village of Paramonas, these two apartments are in a wonderful spot just a few steps from the beach and local tavernas. They are within a 10-minute drive of the all-year-round village of Agios Matheos and approximately a 40-minute drive from Corfu town and the airport.
To be sold together, the main property is split over two levels with a 1-bedoom apartment on each floor as well as a 1-bedroom cottage, all set within 750 sqm of land.

Each of the apartments has one bedroom, a bathroom, and its own kitchen, living room and dining area in an open plan style. Sea facing balconies offer great views. There is a lot of potential here – either keep the two separate and use for holiday rentals or, with some work (adding a staircase) they could be easily converted to create a 2-bedroom home.
