Description

The house is developed on two levels. On the ground floor there is an apartment that remains unfinished, designed to include two bedrooms, two bathrooms, and a spacious open-plan living area with kitchen, lounge, and dining space, all with direct access to the garden and covered verandas.

A built staircase leads to the main residence, arranged as a maisonette. The entrance opens into a generous reception area that flows into a comfortable living room with fireplace, while a wooden partition bookshelf defines the fully equipped kitchen and dining area. On this level there is also a bedroom, with all rooms opening onto covered verandas overlooking the garden. A wooden staircase leads to the upper floor, which features two additional bedrooms, a bathroom, and a large covered veranda with wonderful views of the garden and the port of Corfu.

The outdoor space provides many possibilities for further development, with enough room for seating areas, a barbeque, or even a swimming pool. Combining privacy with proximity to the city, this property is the perfect choice for those who wish to live close to Corfu Town while enjoying the comfort and tranquility of a detached home with a garden.
