Nestled in the heart of the traditional village of Doukades—one of the most picturesque and well-preserved settlements in Corfu—this beautifully renovated stone house offers a unique opportunity to experience authentic island living. Just a few steps from the main square, where you'll find three inviting tavernas and a local mini market, the location combines the charm of a historic village with the convenience of everyday amenities.

The house has a total surface of 45 sq.m. arranged over two levels and has been carefully restored by its current owner, preserving its original character. On the ground floor, the open-plan kitchen and sitting area create a welcoming space ideal for daily living or relaxed holiday moments. A wooden staircase leads to the upper level, where a generously sized bedroom with an ensuite bathroom opens onto a private balcony that overlooks the village and captures the peaceful ambiance of the surroundings.

Public parking is located just a few meters from the property, ensuring easy access without compromising the tranquility of the home. The famous beaches of Paleokastritsa are only a 10-minute drive away, while Corfu Town and the island's airport can be reached in about 20 minutes.
