Nestled within a magnificent private estate, the villa offers complete privacy and tranquillity while remaining just five minutes from Gouvia Marina and approximately fifteen minutes from Corfu Town and the international airport, making it equally suited as a permanent residence or an exclusive holiday home.

Designed by renowned Greek architect Vassilis Grigoriadis, the villa blends contemporary architecture with its spectacular natural surroundings. Expansive floor-to-ceiling windows flood the interiors with natural light while framing uninterrupted sea views, creating a seamless connection between the elegant indoor living spaces and the beautifully landscaped gardens.

The fully equipped kitchen, fitted with premium Miele appliances, is designed for both everyday living and effortless entertaining. The accommodation comprises a superb master suite with fireplace and en-suite bathroom, two interconnected guest bedrooms served by two separate bathrooms, and an independent en-suite guest bedroom on the lower level with its own private entrance, offering excellent privacy for family and visitors alike.

One of Villa Skyline's defining features is its magnificent Mediterranean garden. Set within an expansive private plot, mature olive trees, colourful flowering plants and fragrant shrubs create a magical setting of exceptional beauty and serenity. The generous outdoor spaces include shaded seating areas, two al fresco dining terraces and the heated swimming pool, all positioned to embrace the spectacular sea views and peaceful surroundings.

Equipped with central heating, air conditioning throughout and high-speed Starlink internet, Villa Skyline is perfectly suited for comfortable year-round living.
