Villa in Central Corfu

Reference: #CVIRO4

A stunning 4-bedroom contemporary villa in the area of Viros that offers privacy, peace and quiet yet is just 10 minutes from Corfu Town and the airport. It boasts wonderful, landscaped gardens, a private infinity pool and stunning views of the sea and Kanoni peninsula. Ideal for all year round living as well as having great rental potential.

Information

Price: Price on Demand **Location**: Central **Category**: Villas / Houses

Description

With a hillside position ensuring the wonderful panoramic sea views, this property is located just a 10-minute drive from Corfu Town and the airport and is just 5 minutes from all amenities. There is easy access from here to both the east and west coast beaches, with the long sandy beach of Agios Gordios, approx. 9 km away.

Accessed via a road that ends at the property, the villa is surrounded by a wide variety of trees offering it absolute privacy, peace and tranquility. The landscaped gardens are stunning, with a large area laid to lawn. An infinity pool with poolside terrace and paved seating area, a built in BBQ area with traditional wood oven and external dining area make outside living a delight.

With 376 sqm of living space spread over two levels, the villa has a stunning contemporary design with clean lines and offers modern, spacious and luxurious living spaces. The ground floor level comprises an extremely spacious open plan area with large windows and sliding doors that offer spectacular views of the surrounding area and sea as well as giving access to the pool and gardens. There is an ultra-modern kitchen with breakfast bar leading to a large dining area. A living room with fireplace, a gym, one bedroom and a bathroom with shower completes this level.
An internal staircase leads to the upper level where there are three further bedrooms. The master bedroom has an ensuite bathroom with both bathtub and shower, and there are two further double bedrooms share a family bathroom.

The property also has a large storage area that could, if desired be converted to create an extra studio.
