Description

A recently built 200 mB² villa situated in the area of Agios Prokopios, about 10 min. from the airport and the town of Corfu. The surrounding area brimful with pine trees creates Ξ± scenery of rare, wild, natural beauty. This high spec villa is not only a stylish residence, but it also offers lots of comforts. On the ground floor you will find the kitchen in modern design with fitted high-end appliances, the dining room, the sitting room with the fireplace, 2 bedrooms and 2 bathrooms β€“ each one with jacuzzi bathtubs. Ascending on the first loft-like floor you will encounter a warm lounge area, a bedroom and one more room which could be used in many different ways (as an office, a home gym or a dressing room). The quality of the construction is excellent: oak floors and stairs, autonomous heating system, satellite installation, burglar alarm system and aluminum window frames are only some of its features. In the basement area there is an indoor parking garage with space for 3 cars and a laundry room. In the outdoor area there is a vast 4,500 mB² garden with trees, lawn, outdoor lighting and a drive connecting the entrance gate with the indoor garage. The pool, which is included in the sale price, is currently under construction and will be delivered finished upon sale of the property.
