Description

Situated on a hillside just a few minutes’ drive inland from Gouvia and its international marina and just 10-minutes from Corfu town and the airport, this stylish, luxury property is in the perfect position for all-year-round living. Its elevated position ensures the views – a stunning panoramic vista of the surrounding countryside to the sea and beyond to the mainland opposite.

Accessed via a private driveway that leads to the top of the villa and it’s parking area, the property is set within 4,350 sqm of land. The gardens have been fully landscaped to create different levels and areas for a variety of external living activities – there are quiet spaces for relaxing, a BBQ and gazebo covered dining area for alfresco dining and a private pool with its surrounding sun terrace. The external design has also incorporated the main rooms, so that each one has access to private terraces or verandas. Stone walls and stairways, paved pathways and terraces are all surrounded by wonderful trees, flowers, and shrubs. At the bottom of the land there is a natural landscaped area that would be perfect for a vegetable garden.

In immaculate condition, with elegant and stylish finishes and offering all modern comforts, this superb villa offers 450 sqm of living space over 3 levels that are all connected via a beautiful ornate staircase. There are 6 individually designed bedrooms, each with its own ensuite bathroom and access to private external terraces or balconies. In the heart of the villa is the modern, fully fitted kitchen and with high ceilings and abundant windows and doors, the spacious living room and separate formal dining area are light, bright and airy with access out to the external areas.

Entertainment for all ages is a feature of this home, and includes a fully equipped gymnasium, a state-of-the-art cinema room as well as a giant life size chess set.

Other property features include central heating and air conditioning with separate heating and cooling systems for each bedroom so temperatures can be individually regulated. There is Starlink superfast Internet throughout as well as a Sonos speaker system..
