Description

Located in a unique spot of this wonderful area, the area of Agni, this 2,740 m² plot overlooks the sea and 50 m. of it face the road leading to the beach. The beach of Agni is only 100 m., or let's say a 3 min. walk away and is one of the most famous beaches among locals and foreigners, attracting also many famous people with their high speed crafts, partly for its wonderful natural environment and partly because of the renowned Greek restaurants that are situated there. The plot has a slight incline and water and electricity connections are available in it. The location is simply wonderful, combining ideally the colours of emerald green and deep blue.
