Description

Located just 500 metres from the beach, this lovely plot of 3,270 sqm is situated on the beautiful Ionian island of Paxos, 2 km from the attractive coastal town of Gaios in the south of the island. With easy access, the plot has a large frontage onto an asphalted road - the land is in a peaceful and quiet area.

The plot is being sold with a building license already in place, this is for two houses with a total size of 184 sqm, however should the buyer prefer to build one villa, the current owner will renew the license at no extra charge.

This is a great opportunity to purchase a plot close to sea, with wonderful sea and coastline views with a building license already in place.
