Description

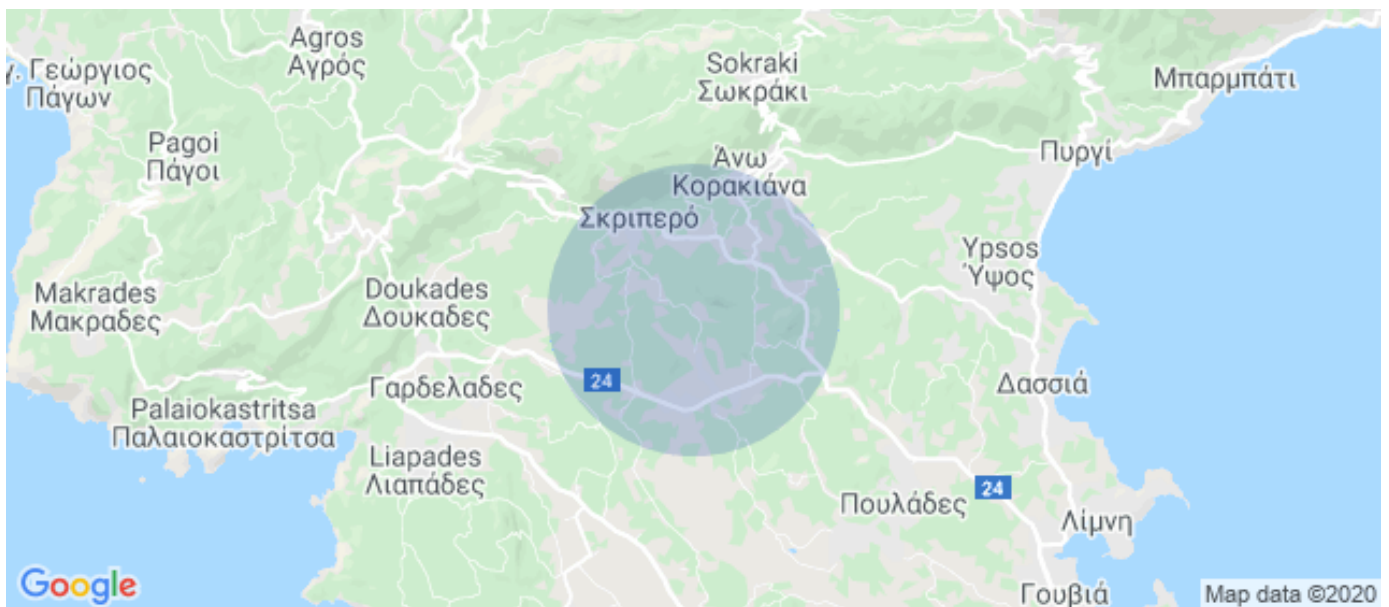

Situated just 1 km from the traditional village of Skripero and 16 km from Corfu town, this good-sized family house is in a great position with easy access to all areas and beaches on the island - It is no more than a 15 minute drive to Paleokastritsa on the west coast or Barbati and Ipsos on the East coast and it is also within easy reach of the northern resorts of Sidari, Roda and Acharavi that are 25 minutes away.

The house is set within a stunning plot of 3000 sqm – a stunning piece of nature with a wonderful variety of trees and Corfiot vegetation. The beautiful plot and natural gardens are fully fenced with a private gate. A concreted private driveway that leads up to the house where there is plenty of space for parking and there is a shed within the gardens for handy storage.

Constructed 9 years ago, the house itself is 180 sqm spread over two levels that are 90 sqm each. The upper level is already completed and comprises an open plan living room, fully fitted modern kitchen and dining area. There is a lovely high wooden beamed ceiling throughout this upper level and patio doors lead out to balconies. This level also has 2 bedrooms and a bathroom.

The lower level is currently used as a garage and storage area – this open plan space already has plumbing and offers lots of potential – it would be perfect to create either further living space connected to the upper level with an internal staircase, or alternatively an independent apartment.
