## Information

---

**Price:** 119.000 €

**Location:** Central

**Category:** Villas / Houses

## Description

---

For an investment in a beautiful view, this residence in the Stavros area of Central Corfu is what you are seeking. Located on a hill which overlooks the astonishing lush green landscape, the plot consists of 2750m2 of land with an astonishing panoramic outlook. The house is 70m2 and has recently been renovated . As the property is situated within the official town plans ,the house can be extended if desired .It includes 2 bedrooms, 1 bathroom with bath, as well as a kitchen and living room with an energy fireplace. Through the living room you can directly go out into the outside terrace and garden, a peaceful area that is hidden and quiet. In addition, the house is technically equipped to be fully air conditioned and heated. Its location is ideal; inside the perimeters of the traditional village of Stavros and only a 15-20 minute drive from the airport and Corfu Town.
