Reference: #CAGOR6

Reduced from 180.000 euros !! A superb building plot of 2,044 sqm in a wonderful west coast location on the island, just 150 metres from the beach with magnificent views of the sea; the west coast as well the famous rock of Agios Gordios.

### Information

---

**Price:** 155.000 €

**Location:** Central

**Category:** Land

### Description

---

Situated just 100 metres from the beach, which is accessed by a pathway from the plot, and approximately 700 metres from the all amenities of the resort, this plot of 2,044 is hidden amongst 100 year old olive and Cypress trees and boasts stunning views of the sea, the western coastline and the magnificent landmark rock of Agios Gordios. Its position also ensures great views of magnificent sunsets the west coast is famous for.

Surrounded by Corfu's natural beauty, the area offers peace, quiet and absolute privacy. The plot itself has a gentle slope and is ideal for the construction of a villa. It is accessed via a concreted road and water and electricity are located just outside.

This is an outstanding investment opportunity - the chance to own a lovely plot of land in a great location offering some of the best views on the island as well as being close to the beach and all amenities.
