Description

Set in an elevated hillside position above Gimari, these 2 adjacent plots are both 3,000 sqm in size and are to be sold together. They both offer amazing views that are to die for. Overlooking the bays Kalami, Agni and Yaliskari as well as the lush surrounding countryside, the views don't stop there – they continue across the water to the mainland and south towards Corfu Town and beyond.

No more than 10 minutes' drive away from the wonderful local bays in this sought after area on the North East coast, the land is in the perfect position to construct your villa – it offers total privacy, peace and tranquility yet is within easy reach of all amenities.

The plots are well-maintained, have many olive trees within them, as well as wonderful lush vegetation. A private track road has already been constructed and offers good access.

Each of the plots is buildable up to 200 sqm plus a basement and covered verandas so this is the perfect spot for construction and a great investment opportunity – you could potentially build one villa for private use and then, taking advantage of the thriving local holiday rental market, a 2nd villa to rent out during the summer season.
