## Description

---

This 517 m<sup>2</sup> plot is situated in an exceptional area where you could either build an utterly peaceful residence for yourselves or to make an investment in the tourism and lodging field by creating impressive holiday houses or apartments. Up to 400 m<sup>2</sup> could be built on the plot which already provides water and electricity connections in it. It is flat and along 30 metres it is facing the street. Just think what an appeal this wonderful old olive grove and the inviting call of the sea would have on you or your guests? Can you imagine real summer days and nights coloured by the silver-green colours of the olive grove and scented by the sea breeze? If you can imagine it, you can make it true!
