Located in the wonderfully quiet, private and natural area of Kanouli in the South West of the island, this flat plot of 4,700 sqm boasts wonderful sea and coastal views and is a great opportunity for the construction of your home on Corfu.

It offers absolute privacy, peace and quiet as well as sunshine all day; and there is good access via an agricultural road that ends at the plot. Being level ground makes it easy to build on, and as there is water and electricity just outside the land, there would be no extra costs required for these services.
