Description

This is truly a once in a lifetime opportunity to own a very special piece of land perfect for building a private and secluded villa or for realizing some of your most inspiring investment projects. This land situated in one of the most sought after areas in Corfu, the expensive area of Kalamí, will astound you from every angle. Views of the bluest sea and the lushest greenery are everywhere you turn. The area of Kalamí is a very expensive area of Corfu, situated in the North-East coast of Corfu which is considered the Corfiot Riviera, and this piece of land allows you build one or more villas in a very upscale and very beautiful area.

Spectacular, spectacular, spectacular...the views from this plot simply make you wasp with delight! The plot starts from a small, secluded hill and ends where the sea starts! Its position maximizes its view over the sea, the hilltops of Albania, the whole north-eastern coastline and even the town of Corfu in background...This simply stunning plot is 8,000 m² and it is one of a kind in this area. No other home here benefited or could benefit from the advantages of this kind of plot.
