

Seafront Land in Paramonas ,Southwest Corfu

Reference: #SPARA3

Seafront plot of 11,000 sq.m. in one of the most beautiful and unspoilt locations of the southwestern side of Corfu

Information

Price: 750.000 €

Location: South

Category: Land

Description

This exquisite plot of land is an outstanding example of natural beauty with hundred-year-old olive trees and lush greenery making it ideal for building a luxury villa away from all noise and urban stress.

The location offers absolute privacy, splendid sea views over the Adriatic Sea and the wild coastline of the island.

Situated only 5 minutes away from the picturesque Paramonas beach and with direct access to the nearby sea, the property is easily accessed by a paved road.

Water and electricity are already established at the plot's entrance.

Characteristics

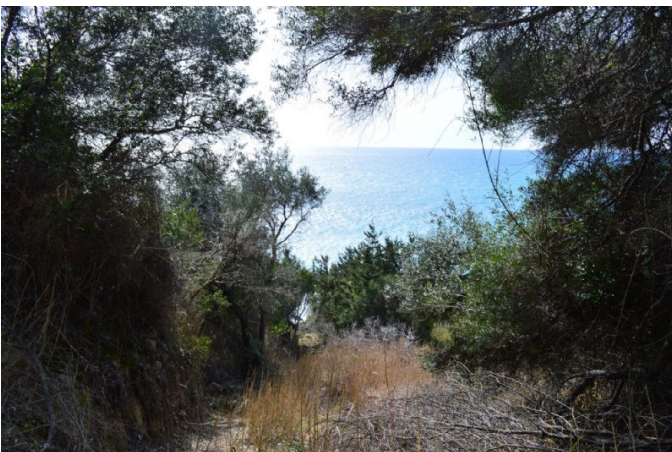

Land size: 11000m2

Exterior

View: Adriatic Sea And West Coastline
