

## Seafront Land in Paramonas ,Southwest Corfu

Reference: #SPARA4

Exquisite 11,200 sq.m. sea front land with private access to an idyllic secluded bay, southwest Corfu

### Information

---

**Price:** 490.000 €

**Location:** South

**Category:** Land

### Description

---

This virgin plot of land is situated in a splendid area of southwest Corfu, close to the brilliant beach of Paramonas. This plot constitutes a unique block of olive grove, while it offers private access to a secluded bay. It is notable, that the property enjoys stunning views to the sea and the wild natural beauty of west Corfu.

This unique piece of land, measuring 11,200 sq.m., promises a total sense of harmony and privacy due to its privileged location and the surrounding lush vegetation including olive trees and other trees.

With a large frontage on a paved road, the property remains very easily accessible, while water and electricity facilities are already established at the plot's entrance.

This plot suits perfectly for any type of constructions. Its location and broad surface make it ideal for investment projects or building a luxury dream villa. The breathtaking views over the Ionian Sea and the west coasts of Corfu only add to the total value of the estate.
