## Description

---

Situated in one of the most beautiful locations on the island with easy access by road, this unique plot of 35,000 sqm is a rare find for Corfu. The stunning plot boasts an olive grove as well as a huge variety of trees and flora including many fruit trees. The land starts from the sea and the stunning rocky coastline, and with numerous flat areas within the plot, it continues inland to the hillside above. The views are absolutely stunning – panoramic views of the sea, the beautiful dramatic coastline the West of the island is famous for, as well as Glyfada Beach and Myrtiotissa.

From the top of the plot, which is the ideal location for you to build, the views are amazing and the current owners have already created a private road to the sea from here, as well as private steps leading directly to the sea below. There is also a pathway that leads to Glyfada Bay, one of the most beautiful sandy beaches on the island. The whole plot offers complete privacy with no access to the general public.

All in all a truly stunning plot of land which has it all – amazing views, direct access to the sea, total privacy, peace and tranquility. A wonderfully unique plot of land for you to construct your perfect home on Corfu.
