Information

Price: 200.000 €

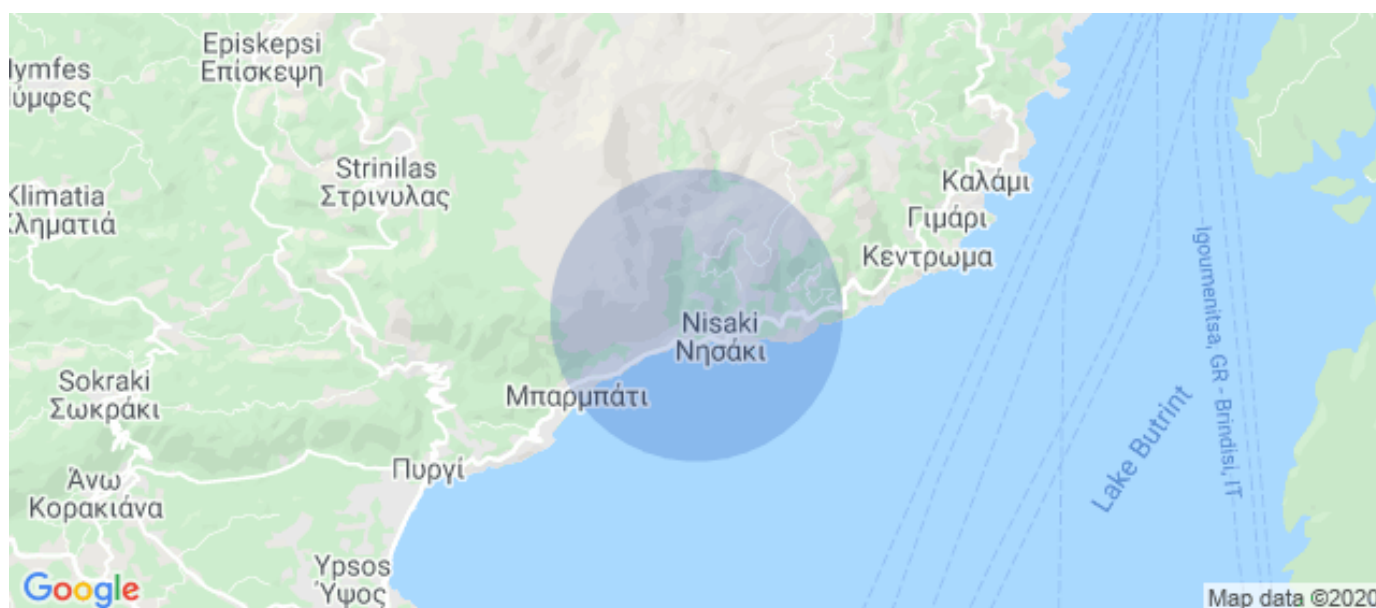

Location: North East

Category: Villas / Houses

Description

The plot is located in the so called Riviera of Corfu island, in the Nisaki area in the North-East side of the island. This special plot covers an area of 1483 m² and extends along a hill slope providing this exceptional view. A private roadway leads to the plot where water and electricity connections already exist, as there is also a very old 120 m² stone house found on it. The stone house needs to be completely renovated, but the most important thing is that the plot has permission for constructing a reasonably large building. Whether looking to make a solid investment or to create your private Mediterranean residence, this plot fulfils all the prerequisites of a luxurious, dreamy hideaway in the quiet and tranquil area of Nisaki brimful with other luxurious villas enjoying the unprecedented views of the dazzling azure waters.
