

Villa in Kato Korakiana, Central Corfu

Reference: #CKKOR16

Amazing 190 m² newly-built villa in the area of Kato Korakiana ,just a 5 minutes drive from Dassia beach.

Information

Price: 510.000 €

Location: Central

Category: Villas / Houses

Description

Nestled in the green surrounding of the area, this 190 m² villa enjoys the tranquility and natural beauty of the scenery. The house is found on a 2364 m² plot and it consists of 2 levels and a semi-basement area. On the ground floor there is a spacious living area with fireplace which leads to a large veranda. The kitchen is also found on this level but it is a separate room, while there is also a bathroom with shower here. On the first floor where one gets through the marble staircase there are 3 bedrooms, each with its own balcony and a very large bathroom with bathtub. The lower level area has its own independent entrance and is used as a guests apartment. It features one bedroom, a living area and kitchen in an open plan arrangement and a bathroom.

It is a unique property, with all areas and rooms designed to functionally cater your everyday life. A wonderful garden and amazing verandas complete the scene of everyday relaxation. And all this, while the town of Corfu is just a 15 min. drive away and the Gouvia Marina 10 min.
