Description

This villa offers a true luxury home to live in permanently or spend the holidays away from the loudness of the city and close to the harmonious natural environment of northeastern Corfu. Set in one of the island's most prestigious locations, the peninsula of Kommeno, the villa is surrounded by a beautifully landscaped plot which only adds to the overall sense of privacy and tranquility the property promises. With splendid views over the Kommeno bay to Corfu town, this villa is a haven for those who search for peacefulness and luxury.

The villa features three levels of a total surface of 750 sq.m., beautiful garden that is lovingly taken care of, infinity pool, majestic sea views from all points and a covered garage.

The fully landscaped garden features various trees, flowers, grass, paved pathways that build up a harmonious atmosphere and sense of tranquility.

Inside the villa, the main entrance leads to the ground floor where a single huge area hosts the dining room and living room, home office, fully fitted kitchen with additional dining area and WC. All rooms on the ground floor frontage lead directly to spacious verandas that offer unobstructed views over the garden and the infinity pool blending in with the horizon.

The tasty interior design and aesthetics create a cozy, luxurious environment, which is evident throughout the property.

The upper floor comprises of two bedroom sharing a common bathroom and a master bedroom with ensuite bathroom and private veranda.

The lower ground floor comprises three bedrooms, two bathrooms, playroom, small kitchen, laundry room and storage room. This level also features a fully autonomous guest apartment with its own entrance, two bedrooms, bathroom and living/dining room.

The privately owned Gouvia Marina and Corfu town are only 15 min drive away from the property, while the closest beach is a few minutes away.
