

Villa with pool in Central Corfu

Reference: #CKAST2

A stunning, beautifully designed 3-bedroom villa with private pool set within beautiful landscaped gardens. Centrally located on the island it has an elevated hillside position that ensures the panoramic views of the stunning countryside, mountains and sea across to the mainland.

Information

Price: 990.000 €

Location: Central

Category: Villas / Houses

Description

Set on a hillside in the area of Kastania, central Corfu this beautifully designed villa is just stunning. It offers all modern comforts within large living spaces, boasts stunning high ceilings as well as having wonderful gardens, a private pool and stunning views. Conveniently located, it is no more than a 15-minute drive away from Corfu Town and the airport.

The external spaces are wonderful – beautiful landscaped gardens with trees, flowers and shrubs. There are paved patio areas, stone walls, covered seating / dining and a private pool with sun terraces positioned to enjoy the views.

The villa itself offers 320 sqm of living space over two levels. The ground floor level is where the main living spaces are located. The main entrance leads into superb and spacious dining room with high beamed ceilings. Two archways lead into the large living room with fireplace, and which again features the stunning high ceilings as well as large windows and access out to the gardens, pool and external living areas. A further archway from here leads into the spacious modern and fully fitted kitchen. From here, there is further access to the external living spaces.

This ground floor level also features 3 bedrooms, each with its own ensuite bathroom and fitted wardrobes, a guest WC and an office. All rooms benefit from large windows.

The lower level of the villa comprises a large laundry room, storage areas, a cellar and a spacious garage for at least 3 cars. There is a further space on this level which offers a sauna, gymnasium, another living space and office area. This area is in an open-plan arrangement, and if desired, could be converted to create a separate guest apartment.

Other property features include a private driveway with electronic entrance gate, air conditioning and central heating.
